Dear Julie

RE Planning Application S/2413/17/OL

I confirm that I have no objections to the alterations to the roundabout on Rampton Road.

I use the roundabout several times daily and am pleased that it is being improved.

The roundabout will improve traffic flow and the speed bumps will slow down traffic reducing noise and danger.

The Care apartments and low cost housing would be of great benefit to the village.

I therefore wholly support this application and the roundabout alterations.

Yours sincerely,

Jemma Grindling
