S/2413/17/OL - Land off Rampton Road, Cottenham

Mrs McManners
18 Oakington Road
Cottenham
Cambs
CB24 8TW

Comments

Roads can barely cope with current traffic levels; this site would add considerably more including residents that would drive to village facilities as it is outside village framework. Doctors surgeries in the village are bursting at the seams and would not be able to cope with a large influx of new residents. Care homes are not within walking distance for the elderly residents to the centre of village. Heritage statement is incorrect. No public exhibition has taken place. No mention of earlier applications or that one of the parties has been served notice of the application. Increased flood risk.
