Dear Madam/Sir,

Re: Application by Thriplow Farms Ltd for a Grain Store east of Fowlmere Road, Foxton, reference S/3566/17/FL

Further to my previous correspondence, I wish to object to this proposed development mainly on the grounds that it would require large amounts of heavy traffic passing through one or more of the villages of Foxton, Fowlmere, Newton and Thriplow, and the country lanes connecting them. All these roads are most unsuited to large amounts of such traffic.

A more appropriate location for the Grain Store would be near the Thriplow Recycling Centre, with easy access from the A505.

Yours faithfully,
