S/0791/18/FL - Land between Cody Road and railway, north of Waterbeach, Cambs

11 Shipps Field
Waterbeach
Cambs
CB25 9DZ

Comments

I strongly object to this application on the ground of the environmental impact and consequences for traffic in the area. The use of Cody Road is not a valid option as it was not built for this amount of traffic, and this will also increase traffic down Way Lane and Bannold Road which is already problematic with the increased traffic from the new houses. The junction onto the High Street is not safe for this amount of cars. I also object to the massive car park. I would also like to place on record my disgust at the behaviour of the developer in trying to use the delay in extending to the platforms at the current station to buttress this application. There has been no acknowledgement of the impact on the village.
