S/0791/18/FL - Land between Cody Road and railway, north of Waterbeach, Cambs

8 Cambridge Road
Waterbeach
CB25 9NJ

Comments

The railway station is a vital part of our villages community.

It serves us well. Moving the station is just playing into the hands of the new town developers.

This will add traffic to the already crippled A10.

There is ample space to extend the station where it currently is sited.
